

THE MILWAUKEE MAMMOTH

Chairman's Report

"My fellow Republican's: I am excited to introduce to you the first issue of the Republican Party of Milwaukee County's official newsletter: "The Milwaukee Mammoth."

I understand many people are eager to move forward and help build this County Party into a proper political organization. I have been working overtime with the Executive board to help fulfill our role in one of the most important movements the world has ever known.

This newsletter will serve as a form of transparency and help provide insight to the efforts that are being made by many in this county. In order to help save our Republic; each of us will be challenged. Our trust, our faith, our friendships. No matter what happens, we must keep moving Forward."

- Hilario Deleon
Chairman of the RPMC

Upcoming Events & Past Events Recap Continued:

Juneteenth 2023

Recently we had two successful outreach programs, Juneteenth Day and Garfield Days. Volunteers helped work the booth and hand out literature. The success was the public had to opportunity to see us and talk to us, but most importantly we had the opportunity to hear directly from them on their concerns on issues in Milwaukee and the Nation. A huge thank you to all who made these booths possible. Community Outreach is a major focus in order to help move the RPMC forward as a proper political organization.
