

THE MILWAUKEE MAMMOTH

Chairman's Report

"My fellow Republicans: Wednesday, August 23rd will be the first Republican debate here in Milwaukee.

It is truly an honor to serve as your chairman during this historic moment.

August has been an a very active month for our county party organization. I have had the opportunity to speak to thousands of Republicans from across the nation at the Wisconsin State Fair booth and hear their thoughts and concerns.

There is much work that needs to be done leading up the 2024 election. I have been saying it for months now, but the eyes of the World are upon us here in Milwaukee. What we do, will eventually decide the fate of the Nation. Let us continue to push forward in our community outreach and build the Flagship that will help us take back the White House.

Chairman of the RPMC

Bank Your Vote, Protect Your Vote

To beat Joe Biden and the Democrats in 2024, we must ensure that Republicans bank as many votes as possible before Election Day. Because of the efforts to Protect Your Vote in 2022, grassroots Republicans like you should feel comfortable Banking Your Vote in 2024.

The Bank Your Vote initiative encourages GOP voters (like YOU!) to get your vote in and make absolutely sure that your voice is heard in the critical 2024 elections.

In all 56 states and territories, your Republican Party will be working hard to get our voters to vote by mail or early in-person, and ballot harvest where permitted. We can't do it without you though--so share this site with family and friends to make sure they bank their vote, too!
